2026 Term 1 begins on Saturday, 24<sup>th</sup> January.

Year 4 (in 2026) Term 1 courses are designed to ensure that students meet the high academic standards expected for forthcoming OC placement tests. For students who haven't yet enrolled in the OC Trial Test Course (OCTTC), we strongly recommend starting in Term 1. The exam date has been advanced to 8 & 9 May, making timely preparation crucial.

The OCTTC will teach students how to manage their time effectively, reduce mistakes, and perform their best on the OC placement tests.

## OC Trial Test Course (OCTTC)

Year 4 OC Trial Test Course (OCTTC) is significant for students who will sit for the 2026 OC placement test. It provides weekly tests which enables assessment of knowledge and test performance.

- By taking OC trial tests on a weekly basis, students will be able to systematically build up their exam skills and be confidently prepared for the actual exam.
- The course consists of different types of questions and reflects the format, timing and conditions of the actual exam. It will help students to manage the test time efficiently, minimise errors, overcome exam nerves and perform at his or her optimum level.
- Students will attempt the mathematical reasoning & thinking skills tests in one week and reading tests in the following week, taking 2 weeks for a set of OC trial tests. After the test, students will go through the questions with teacher, putting more focus on difficult questions.

### **Boost your OCTTC learning with Cyberschool:**

The OCTTC goes beyond classroom learning with Cyberschool, our online learning platform packed with helpful features, allowing students to practice the computer-based tests at home.

**Important Note:** OCTTC students can only access the test questions during their scheduled OCTTC class sessions. While Cyberschool may offer limited access to review specific portions of test questions under certain conditions and policies, OCTTC does not provide take-home test papers.
